The Royal Academy of Dance is a world-leading dance, education, and training provider. I am so proud that Little Ballerina offers a range of approved RAD skirts.

"Before I was a 'ballet mum' I trained at The London College of Fashion and went on to work as a girls' wear buyer for major high street stores. I have used the experience gained with these companies to ensure that my garments are manufactured to the highest standards so that girls are looking their best for class and examinations. I have personally visited my overseas factories to approve production standards." Jackie Childs.

Little Ballerina has recently switched to using 100% recycled polyester for the production of RAD skirts.

Our exclusive range of vintage inspired Little Ballerina branded cards and gifts are ideal for younger dancers.
